MANP's training course is designed for healthcare providers meeting state requirements, including nurse practitioners (NPs), physician assistants (PAs), physicians (MD or DO) and chiropractors (DCs). The curriculum for this course is provided in accordance with the Federal Motor Carrier Safety Administration (FMCSA) to prepare candidates for the National Registry of Certified Medical Examiners (NRCME) certification examination. This course includes course materials, forms, FAQs and sample questions in preparation and review for the examination. FMCSA regulations and guidelines are reviewed regularly and the training is updated as required to maintain training curriculum.
