

# State Telehealth Laws and Reimbursement Policies

## Spring 2023 Summary Chart of Key Telehealth Policy Areas

This chart provides a quick reference summary of each state’s telehealth policy on Medicaid reimbursement, private payer reimbursement laws (both if a law exists and whether or not payment parity is required), and professional requirements around interstate compacts and consent based on information gathered between January and March 2023. For further details, and additional categories, see each state’s section on CCHP’s [telehealth policy finder](#) tool.
